Agent Marshall and Ms. Kaufman,

As of yesterday we had not received a copy of the below referenced discovery. My office overnighted a 1TB drive to you on March 29th. Can you send me the tracking number of the drive and when we might expect to receive it?

Thank you,
Kate White

Good Evening Kate,

There will be another round of discover to include 500 GB from the DVR at AGC. Can you please send a one terabyte drive so we can include the other remaining items that we discussed after court?

Please address the drive to AUSA, attention of Anissa Kaufman, 101 E. Park Blvd Ste 500, Plano, TX 75074.
